

Note : All the questions are compulsory.

1. Make Precis of the following passage :

20

The real object of education, at which every true teacher is aiming and for which every true student is working is to draw out, train and discipline the faculties of the mind, those faculties that the boy will go to use when he will come to be a man. Right education is not the cramming of the boy's memory, but the evolution and training of his powers of observing, reasoning and judging. You are not here only to pass examinations or to observe your teacher's knowledge. You are here to develop your faculties—spiritual, intellectual, moral, physical, so that hereafter you may use them in the service of God and men to the credit and honour of your country, your families and yourselves.

2. Translate the following passage from Hindi to English :

20

संगीत आत्मा का भोजन है। यह आत्मा की आवाज तथा प्रेम की भाषा है। यह प्रकृति का अद्वितीय वरदान है। संगीत हमारे जीवन को मधुर बनाता है तथा विश्व-शान्ति के लिए भी सकारात्मक भूमिका निभा सकता है। जिसे संगीत तथा साहित्य से प्रेम नहीं है, वह मनुष्य पत्थर के समान है। संगीत परेशानी में मरहम का कार्य करता है। जब हम सारे दिन के काम से थक जाते हैं, तो संगीत हमारी थकान दूर करता है। मनुष्य तो क्या, पशु भी संगीत की धुन से प्रभावित हो जाते हैं। बहुत-से शारीरिक एवं मानसिक रोगों से मुक्त होने के लिए संगीत के प्रति लगाव अत्यन्त लाभकारी हो सकता है। यदि संगीत न होता, तो हमारा जीवन नीरस होता।

3. Change the narration of the following sentences.

2 × 6 = 12
